

## Pupil premium strategy statement

This statement details our school's use of pupil premium (and recovery premium for the 2021 to 2022 academic year) funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

<sup>1</sup> An additional 15 pupils joined the school 07/10/21, all refugees from Afghanistan, they will be eligible for FSM. However, as diagnostic assessments are ongoing to identify their needs, funding for these pupils has not been included in this strategy. This document will be reviewed and updated in November to incorporate the additional funding and strategies for the new pupils.

## Part A: Pupil premium strategy plan

### Statement of intent

The pupil premium grant is additional funding allocated to publicly funded schools to raise the attainment of disadvantaged pupils and support pupils with parents in the armed forces. Long Wittenham School will use the grant to support these groups, which comprise pupils with a range of different abilities, to narrow any achievement gaps between them and their peers.

We recognise that not all pupils eligible for pupil premium funding will have lower attainment than their peers. In such cases, the grant will be used to help improve pupils' progress and attainment so that they can reach their full potential.

### Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Attainment in core subjects
2	Attitude to learning
3	Self-management skills
4	Self-confidence
5	Social, emotional and mental health and resilience
6	Range of life experiences and cultural capital
7	School attendance and healthy lifestyle

### Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
Pupils with PP make good progress from their starting points in maths, reading and writing so that more children in this group attain ARE	Data from Target Tracker provides evidence that all pupils make good progress from starting points in maths, reading and writing
Pupils with PP engage positively with learning and develop independent learner skills	QCA scores provide evidence that pupils' attitudes to learning and behaviour have improved
Pupils with PP develop resilience by learning and using self-regulation strategies	Staff and pupils provide evidence that pupils are able to use the Zones of Regulation toolkit strategies
Pupils with PP develop self-confidence and extend the range of their experiences	Staff and pupils provide evidence that pupils' self-confidence and cultural capital has increased
Pupils have a healthy breakfast and attend school regularly	Attendance data provides evidence that pupils attend school (and breakfast club)

## Activity in this academic year
