

Ridgeway Education Trust

**Admission arrangements and
over-subscription criteria for
1 September 2023 to 31 August 2024**

Determined	21 February 2022  Kevin Gordon Director of Children's Services, Oxfordshire County Council
Review	October 2022

Introduction

Long Wittenham Church of England Primary School is an academy. [Ridgeway Education Trust \(RET\)](http://ridgewayeducationtrust.co.uk/) (ridgewayeducationtrust.co.uk/) is responsible for admissions decisions. The Trust has delegated this responsibility to the Local Governing Board (LGB). The Trust and LGB will work closely with Oxfordshire County Council and will use the council as their agent for the processing of applications for places.

Legal Framework

These arrangements and over-subscription criteria meet all lawful requirements including those set out in the following Acts, Codes, policies and relevant case law:

- Adoption Act 1976
www.legislation.gov.uk/ukpga/1976/36/contents
- Children Act 1989
www.legislation.gov.uk/ukpga/1989/41/contents
- School Standards & Framework Act 1998
www.legislation.gov.uk/ukpga/1998/31/contents
- Adoption and Children Act 2002
www.legislation.gov.uk/ukpga/2002/38/contents
- Education Act 2002
www.legislation.gov.uk/ukpga/2002/32/contents
- Equality Act 2010
www.legislation.gov.uk/ukpga/2010/15/contents
- School Admissions Appeals Code 2012
www.gov.uk/government/publications/school-admissions-appeals-code
- Children and Families Act 2014
www.legislation.gov.uk/ukpga/2014/6/contents
- School Admissions Code 2021
www.gov.uk/government/publications/school-admissions-code--2
- Oxfordshire County Council's Co-ordinated Admissions Scheme
www.oxfordshire.gov.uk/admissionrules

Admission Number

The admission number for entry to the Reception year group each academic year will be 15.

Coordination of admissions for the normal admissions round (Entry to Reception year group each September)

The academy is part of the coordinated admission process for Oxfordshire for children starting school for the first time in the Reception year group each year.

Children can start school for the first time in the Reception year group in the academic year after their 4th birthday and must start school in the term after their 5th birthday. Applications must be

made by 15 January of the academic year in which their 4th birthday falls. Applications made after this date will be considered to be late. Applications can be made online by using the link on Oxfordshire County Council's website www.oxfordshire.gov.uk/primaryadmissions or on paper.

Online applicants will receive an email on 16 April of the academic year in which the application was made (or next working day). If the first preference was offered and the Council determines that the child will not be eligible for free home to school travel assistance, this will be the only notification sent. For other online applications (those not offered their first preference school or those where the Council determines the child will be eligible for free home to school travel assistance) and those who applied on paper by 15 January, notification will be sent by second-class post on 16 April of the academic year in which the application was made (or next working day).

Applications received after 15 January but by the closing date for late applications published in Oxfordshire County Council's co-ordinated admissions scheme will be processed as late applications. Notifications for late applications will be sent by second-class post on the date published in Oxfordshire County Council's co-ordinated admissions scheme (mid-June of the application year).

Late applications or changes of preference received after the late closing date for applications published in Oxfordshire County Council's co-ordinated admissions scheme will not be processed until after the response date for late applications (late-June of the application year).

The full scheme is available on the Council's website www.oxfordshire.gov.uk/admissionrules

In-Year Admissions (Reception year group to Year 6)

The academy is part of the coordinated in-year admissions process for Oxfordshire.

Applications for entry to other year groups at the academy (Reception year group to Year 6) to start during the academic year, can be made at any time. Applications should be started no more than 6 weeks (or one half term) before the intended start date. Applications for entry to other year groups each September can be made no earlier than the first day of the second-half of the Summer Term (June each year). The last date for which an application can be accepted for immediate entry during each academic year will be the last school day in June of that academic year.

Applications can be made via Oxfordshire County Council's website: www.oxfordshire.gov.uk/schooltransfer

The Council expects to respond to applications on behalf of the academy within 15 school days.

Usually, places will be offered if there are places available in the year group (the number of children in the year group is less than the operating number for that year group at the academy). The operating number for the year group will usually be the Published Admission Number for that year group when it first started Reception year. Sometimes the operating number will be different to the Published Admission Number.

Sometimes, it will not be possible to offer places even though there are less children in the year group than the operating number because the academy has had to organise in a way that means the admission of a further pupil would cause prejudice to the efficient education of the children

already there.

If a place is available in the appropriate year group and there are less applications for places than places available, all applicants will be offered a place regardless of home address and distance from home to school.

If there are no places available in the appropriate year group, no applicants will be offered a place.

If a place is available in the appropriate year group but there are more applications for places than places available, the over-subscription criteria (below) will be applied and the child(ren) with the highest priority under the rules will be offered place(s).

When a place is offered, a child is expected to start as soon as possible, unless the place has been offered during the previous term for a start at the beginning of the following term. In this latter case, the child is expected to start no later than the beginning of the term requested.

The full scheme is available on the Council's website
www.oxfordshire.gov.uk/admissionrules

Over-subscription Criteria for entry to the Reception year group (normal phased transfer for starting primary or infant school for the first time) and for entry to year groups Reception to Year 6 during the academic year (in-year transfers)

In accordance with legal requirements, children who have an Education, Health & Care (EHC) Plan¹ in which the school is named in Section I must always be admitted.

The oversubscription criteria below will be followed in descending order of priority.

1. Children who are "looked after"² (LAC) by a Local Authority within the meaning of Section 22(1) of the Children Act 1989 at the time of their application, and all "previously looked after" children³ (PLAC), including those who appear to this Admission Authority to have been in state care outside England (IAPLAC)⁴ and ceased to be in state care having been adopted. Evidence of the previously looked after status and/or the adoption will be requested.
2. Children who live in the catchment area and have a brother or sister on roll at the time of application who will still be attending at the time of entry.
3. Children who live in the catchment area.

¹ An Education, Health and Care Plan is a plan made by the LA under Section 37 of the Children and Families Act 2014 specifying the special education provision, health and social care required for that child. **Therefore, this is not an oversubscription criterion.**

² A 'looked after child' is a child who is either (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school.

³ Previously Looked After Children (PLAC) are children who are no longer looked after by a LA in England because they are subject to an adoption, special guardianship or child arrangements order.

⁴ The 2021 School Admissions Code regards a child as having been in state care outside England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society.

4. Children who have a brother or sister on roll at the time of application who will still be attending at the time of entry but live outside the catchment area.
5. All other children who do not live in the catchment area and also do not have a brother or sister on roll at the time of application who will still be attending at the time of entry.

In categories 2 to 5 above, priority will be given to children who are eligible for Service Pupil Premium and then to children who live closest to the school by the straight-line distance as calculated by Oxfordshire County Council.

“Looked After” children

A 'looked after child' is a child who is either

- (a) in the care of a local authority, or
- (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989 at the time of making an application to a school.

Previously “Looked After” children

The School Admissions Code 2012 introduced a requirement for all admission authorities to broaden the existing priority for 'looked after' children or children in care (defined in Section 22(1) of the Children Act 1989) to also include 'previously looked after' children. Children who were 'previously looked after' were defined for admissions purposes as those who, immediately after being in care, became subject to an adoption⁵, residence, or special guardianship order⁶.

A revised School Admissions Code came into force on 19 December 2014, and this states that 'previously looked after' children includes those who were adopted under the Adoption Act 1976 (see Section 12 - Adoption Orders) and not simply those children who were adopted under the Adoption and Children Act 2002 (see Section 46 - Adoption Orders). In addition, residence orders have now been replaced by child arrangements orders. Those who previously received a residence order are now deemed to have a child arrangement order⁷.

If applying on behalf of a “previously looked after” child, who was previously in state care in England, the parent will need to provide the following evidence:

- an Adoption Order under Section 46 of the Adoption and Children Act 2002; or
- an Adoption Order under the Adoption Act 1976; or
- a Child Arrangements Order; or
- a Residence Order settling the arrangements to be made as to the person with whom the child is to live under Section 8 of the Children Act 1989; or

⁵ An adoption order is an order under the Adoption Act 1976 (see Section 12 adoption orders) or an order under the Adoption and Children Act 2002 (see Section 46 adoption orders).

⁶ Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian/s.

⁷ A 'child arrangements order' is an order settling the arrangements to be made as to the person with whom the child is to live under Section 8 of the Children Act 1989 as amended by Section 14 of the Children and Families Act 2014.

- a Special Guardianship Order appointing one or more individuals to be a child's special guardian(s), under section 14A of the Children Act 1989.

Children who appear, to this Admission Authority, to have been in state care outside England and ceased to be in state care after being adopted (“internationally adopted previously looked after children”) (IAPLAC)

A further revised School Admissions Code was agreed in July 2021 and this came into force on 1 September 2021. The new Code further broadens the existing priority for 'looked after' children and 'previously looked after' children to include those children who appear to an Admission Authority to have been in state care outside England (in the School Admissions Code 2021 they are referred to as “internationally adopted previously looked after children” (IAPLAC)) and ceased to be in state care as a result of being adopted. The Code regards a child as having been in state care outside England if they were in the care of, or were accommodated by, a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society.

Responsibility for determining whether a child is eligible to be considered as an IAPLAC rests with the Admission Authority. Subject to ministerial approval, the Department for Education plans to publish non-statutory guidance on the admission of IAPLAC. This guidance will aim to assist and support admission authorities in assessing evidence provided by parents. If there is doubt about the acceptability of evidence provided by the parent, advice will be sought from the Head of Oxfordshire’s Virtual School. This Admission Authority will take a pragmatic approach to the decision-making process where evidence is lacking.

Catchment areas

The catchment area can be viewed on the Oxfordshire public website. Living within the catchment area gives a high priority for admission but there is no guarantee that a place will always be made available. There is also no guarantee that free transport assistance will be provided if it is not the closest or nearest available school.

Brothers and sisters (siblings)

For admissions purposes, a brother or sister is defined as one of the following:

- a brother or sister (both parents the same) living at the same home address; or
- a half-brother or half-sister (one parent the same) living at the same home address; or
- a stepbrother or stepsister (sharing a parent who is married or in a civil partnership) living at the same home address; or
- an adopted child who, by reason of the adoption, now shares one or more parents with a child living at the same home address.

Time of Entry (siblings)

The admission rules give some priority to those with a brother or sister attending the relevant school at the applicant’s “time of entry”. This means that, in the normal admissions round, there will be **no sibling connection**, for admission purposes, for the following:

- applicants for entry to Reception year group if the only sibling already at the school is a brother or sister in Year 6.

Twins and Children from Multiple Births

Where the parent has made the same preference and, through the normal operation of the admission arrangements, the last available place at a school has been allocated to one twin, or child from a multiple birth, the other twin, or the other children from the multiple birth, will be offered a place at that school. This means that, in these circumstances, the Published Admission Number would be exceeded.

Children eligible for Service Pupil Premium

Central Government defines that children who meet the following criteria are eligible for Service Pupil Premium (SPP):

- one of their parents is serving in the regular armed forces.
- they have been registered as a 'service child' on the January school census at any point since 2015.
- one of their parents died whilst serving in the armed forces and the pupil receives a pension under the Armed Forces Compensation Scheme or the War Pensions Scheme.
- a parent is on full commitment as part of the full-time reserve service.

Parents will need to provide evidence of eligibility.

Measuring distances from home to school (the straight-line distance calculated by Oxfordshire County Council)

The straight-line distance from home to school will be calculated as set out below.

The start point of the measurement is the “**seed point**” of the home address. The “seed point” is provided by Ordnance Survey from information compiled from Royal Mail and Councils via National Land and Property Gazetteer (NLPG). The seed point normally falls within the bounds of a property. The accuracy of seed points is to the nearest metre and uses the British Co-ordinate System (Easting/Northing). It is not possible to verify the individual location of every seed point prior to measuring due to the number of addresses in Oxfordshire and surrounding areas.

The end point of the straight-line distance is the main gate on High Street.

The calculation of the distance will be made in metres using a Pythagoras calculation. This calculation will be converted into miles by dividing the distance by 1609.344 to achieve a distance in miles accurate to three decimal places.

For addresses outside the British Coordinate System an internet mapping solution will be used to determine a start point using longitude and latitude via www.latlong.net A straight line distance will then be calculated to the end point at the school in statute miles using www.nhc.noaa.gov/gccalc.shtml

Random Allocation

If the distance “tie break” produces an identical result for two or more applicants and these applicants live at different addresses and are not children of a multiple birth (see above), the Local Authority will use random allocation to determine who will be offered a place.

Home address for families of service personnel with a confirmed posting, or crown servants returning from overseas

For families of service personnel with a confirmed posting, or crown servants returning from overseas, the Admission Authority will allocate a place in advance of the family arriving in the area (as long as one is available), provided the application is accompanied by an official letter that declares a relocation date. It will not refuse to process an application and will not refuse a place solely because the family does not yet have an intended address or does not yet live in the area.

In addition, the Admission Authority will use the address at which the child will live when applying oversubscription criteria, provided the parents provide some evidence of the intended address. If requested by a parent, the Admission Authority will use a Unit or quartering address as the child’s home address when considering the application against the oversubscription criteria.

The Admission Authority will not reserve blocks of places for children of service personnel, or crown servants returning from overseas.

The Admission Authority will assist the council to ensure that arrangements in Oxfordshire support the Government’s commitment to removing disadvantage for service children.

Home address

The address on the application **should be the child’s address at the time of application**. This is the address at which the child spends the majority of term-time school nights (Sunday night to Thursday night).

Normal phased transfer for starting school for the first time in Reception

The **time of application** is the entire time period from the point when applications can start to be made in the November when the application process opens until 16 April (or next working day) the following calendar year.

Changes of Address

Sometimes an application is made based on an address at the time of application and the address then changes after the application has been submitted. It is important to tell the Admission Authority (and/or Local Authority) about changes of address so that places can be offered fairly, and so notification can be sent to the correct home address.

If the application address is found to have subsequently changed after the application was submitted, and this information could have been provided when the application was first made or before places were offered, the Admission Authority will consider the application to have been made on the basis of a fraudulent or intentionally misleading address (see below). This may result in the offer of a school place being withdrawn.

If an application is made on the basis of a new address or intention to move to an area, information about the new address will need to be provided in order for it to be taken into account.

Changes of Address normal phased transfer for starting school for the first time in Reception

Changes of address which occur after the closing date for applications (15 January in the allocation year) can be considered if proof of this change is provided no later than the date in February set down in Oxfordshire County Council's co-ordinated admissions scheme.

www.oxfordshire.gov.uk/admissionrules

Changes of Address (all)

To confirm a new address, the Local Authority needs one of the following:

- A solicitor's letter advising contracts have been exchanged (**if the property is being purchased**); *or*
- A copy of a tenancy agreement (if the property is to be rented). **If this tenancy agreement comes to an end before the September when the child is due to start school, the Admission Authority may not accept the address for admissions purposes**; *or*
- A copy of the Council Tax Bill **showing the same name(s) as on the school place application (CAF)**; *or*
- **A letter from a new employer** (e.g. University college) where accommodation is being provided by the employer and is tied to the new post/job giving details of this new address; *or*
- **Service Family Accommodation (New Quarter)** if this is a military posting with provided accommodation and the parent has requested that this address should be used for allocation purposes; *or*
- **Assignment Order** if this is a military posting but new quarter has not yet been notified and the parent has requested that the address of the military base be used for allocation purposes.

Oxfordshire County Council will act as the agent for the academy to establish the home address.

The council may also ask the parent to provide address evidence based on information from HM Revenue & Customs, Child Benefit Division or Tax Credits Division. **Such correspondence must pre-date the application.**

Multiple Addresses

Where children spend time with parents at more than one address then the address given on the form should be the one that they live at (i.e., sleep at) for the majority of term-time school nights (Sunday night to Thursday night).

If children spend time equally at different addresses, then the address which will be used for admissions purposes will be the one registered for child benefit. The Admission Authority (and/or Local Authority) will request proof of the registered address, which must pre-date the application.

Oxfordshire County Council will act as the agent for the academy to establish the address which will be used.

Fraudulent Applications

If a place has been obtained on the basis of a fraudulent or intentionally misleading application (for example, a false claim to residence in the catchment area) and this results in the denial of a place to a child with a stronger claim, the Admission Authority may withdraw the offer of the place. This follows the guidance in paragraphs 2.13 and 2.14 of the School Admissions Code (1 September 2021) published by the Department for Education:

[2.13] An admission authority **must not** withdraw an offer unless it has been offered in error, a parent has not responded within a reasonable period of time, or it is established that the offer was obtained through a fraudulent or intentionally misleading application. Where the parent has not responded to the offer, the admission authority **must** give the parent a further opportunity to respond and explain that the offer may be withdrawn if they do not. Where an offer is withdrawn on the basis of misleading information, the application **must** be considered afresh, and a right of appeal offered if an offer is refused.

[2.14] A school **must not** withdraw a place once a child has started at the school, except where that place was fraudulently obtained. In deciding whether to withdraw the place, the length of time that the child has been at the school **must** be taken into account. For example, it might be considered appropriate to withdraw the place if the child has been at the school for less than one term.

Oxfordshire County Council will act as the agent for the academy to establish whether a fraudulent application has been made and whether the offer of a place at the academy will be withdrawn.

Multiple Applications (Applicants unable to agree on the schools to be listed on the application)

If parents cannot agree on the schools to list on the application and submit separate applications, the Admission Authority will ask the council to write to all parties and request they reach agreement (using legal arbitration if necessary). The council will also request evidence of eligibility for Child Benefit. If agreement cannot be reached the Admission Authority will process the application from the parent who receives or is eligible to receive Child Benefit.

If a parent is unhappy with this decision their recourse would be to seek an order from the Court.

“Shortest safe route” for home to school travel assessments

This is measured from the same start point defined in the straight-line distance measuring rules. From the start point the route firstly connects to the nearest point of the digitised network.

The digitised network is constructed from a subset of the national road and path data supplied by Ordnance Survey. This data has been accurately digitised to measure along the centre of roads and takes corners at right angles. This is the same underlying information used by internet-based mapping solutions (e.g. Google Maps). However, the LA has a more accurate start point than internet-based mapping solutions and the network has been augmented by the LA to take into account other available public routes (e.g. alleyways, public footpaths, bridleways, etc). The augmented network used by the LA is accurate to at least 1 metre.

All roads and paths in Great Britain are accurately mapped in a consistent and logical network. The network does not include routes that are not defined as public; these include crossing parks with no paths where the park is not open and available all the time, “short-cuts” across patches of open land without paths, or footpaths across private land which are not defined as public routes.

The end point of the route is the nearest open gate of the school first arrived at from the direction of travel that is officially available for use by students for entry and exit to the school site at the start and end of the school day. The location of these gates has been set by the Admission Authority. The council consults with each individual school annually to ensure accurate placement of gates and their availability for use.

The shortest safe route is established using an algorithm within the bespoke software used by the council. This software is called Early Years and Education System (EYES) which is supplied by Liquid Logic (www.liquidlogic.co.uk/).

EYES measures in miles accurate to three decimal places, which gives an accurate reading up to 1.609344 metres.

The shortest safe route is not necessarily a driving route because it may use, in whole or in part, a non-driveable route (e.g. footpaths). The shortest safe route is also not necessarily a walking route because, for example, where the measurement uses a road, the route is along the centre of the road not along the edge (pavement or equivalent) of the road. In calculating the shortest safe route, certain parts of the network of roads and/or paths have been specified as unsafe and the route will use an alternative which will be longer. This longer distance will be used to determine whether a child is eligible for free home to school travel assistance.

Other measuring systems may give a different measurement, but the council cannot take a measurement from another measuring system into account because this would lead to inconsistency in the method used to measure the shortest safe route and determine a child's eligibility for free home to school travel assistance.

Home to School Travel Assistance

Some children qualify for free travel assistance from home to school. If a child is eligible the council will notify the parent in writing in an offer letter.

The council does not accept responsibility for the provision or cost of free travel assistance to the catchment area school if it is not the closest or nearest available school.

Where a child is eligible for free travel assistance, but spends time with different parents at different addresses, the council will only accept responsibility for the provision and/or cost of free travel from the registered home address.

The home to school transport policy is available online
www.oxfordshire.gov.uk/schooltransport

Admission to an older or younger age group

Parents of gifted and talented children, or those who have experienced problems or missed part of a year, for example due to ill health, can seek places outside their normal age group. Any decision will be made on the basis of the circumstances of each case. This will include:

- considering the parent's views.
- any information about the child's academic, social, and emotional development.
- whether they have previously been educated out of their normal age group.
- the views of the head teacher of the school(s) concerned.

When informing a parent of the decision on the year group to which their child should be admitted, the council will write on behalf of the Admission Authority providing clear reasons for the decision. Where it has been agreed that a parent's request for their child to be admitted out of their normal age group and, as a consequence of that decision, the child will be admitted to a relevant age group (i.e. the age group to which pupils are normally admitted to the school) the application will

be:

- processed as part of the main admissions round, unless the parental request is made too late for this to be possible; and
- considered against the determined admission arrangements only, including the application of oversubscription criteria where applicable.

The Admission Authority will not give a lower priority on the basis that the child is not of the correct age.

Parents' statutory right to appeal against the refusal of a place at a school for which they have applied will not apply if they are offered a place at the school, but it is not in the preferred age group.

In-Year Fair Access (IYFA) Protocol

The Admission Authority will participate in the council's IYFA Protocol which is part of the admission arrangements for the academy as it is for all state-funded schools in Oxfordshire.

The Protocol is published on the County Council's public website:

www.oxfordshire.gov.uk/admissionrules

Waiting Lists

Parents will be able to place their child's name on the Waiting List for the academy if a place could not be offered and a lower preference was offered instead.

Waiting List duration for normal phased transfer for starting school for the first time in Reception

For those applying through the normal admissions round for entry to the Reception year group, the waiting list will be maintained between the dates published in the council's co-ordinated admissions scheme, available online at www.oxfordshire.gov.uk/admissionrules

Waiting List duration for other age ranges

In the case of those applying in year, the waiting list will be maintained until the end of June of that academic year. It will be possible to place a name on the list from 1 August, the beginning of the academic year, and the list will be discontinued at the end of June each year. Children will not be automatically moved to a new waiting list for the following academic year. A re-application will be necessary each year.

More information about waiting lists is published on the council's public website.

www.oxfordshire.gov.uk/continuedinterest

Admission Appeals/Reviews

There is a statutory right to an admission appeal should a child be refused a place at the academy. The Admission Authority uses the service provided by the council. Any appeals will be heard by an Independent Appeal Panel (IAP). Information about the process is available online.

www.oxfordshire.gov.uk/schoolappeals

Infant Class-Size (ICS)

If a place cannot be offered in Reception year group, Year 1 or Year 2, this will usually be because

the admission of a further child would breach the ICS legislation detailed in the School Standards & Framework Act (SSFA) 1998 (as amended by subsequent acts).

www.legislation.gov.uk/ukpga/1998/31/contents

The class would be above the thirty children per one teacher allowed in law if an extra child were to join the academy and the academy would have to use additional resources to make sure that it did not break the law. The powers of the Independent Appeal Panel (IAP) will be limited to a review and **a case could only succeed in very limited circumstances.**

- the admission of additional children would not breach the infant class-size limit; and/or
- the co-ordinated admission arrangements did not comply with admissions law (i.e. the mandatory requirements of Part 3 of the SSFA 1998 or the School Admissions Code) or were not correctly/impartially applied and the child would have been offered a place if the admission arrangements had complied or had been correctly/impartially applied; and/or
- the decision to refuse admission was not one which a reasonable admission authority would have made in the circumstances of the case, as defined by the narrow legal meaning of the word “reasonable”.

Normally parents will be notified about the outcome of the appeal by the end of the day when the appeal is heard.

Two Stage Prejudice Appeals

If a place cannot be offered in Years 3 to 6, this will usually be because the admission of a further child would cause prejudice to the efficient education of the children already at the school or the efficient use of resources or both.

At the appeal, the Admission Authority will present the case why the admission of an additional child would cause prejudice. The Independent Appeal Panel (IAP) and/or appellants can question the evidence.

The IAP then decides, in private, if the case is proven and if the Admission Authority has complied with the mandatory requirements. The IAP can decide one of the following:

- the case is ‘not proven’. This means the Admission Authority failed to prove there would be prejudice and all children appealing for a place would be offered a place. The appeal ends at this Stage and there is no second stage; or
- the case is ‘proven’.

If the IAP decides that the case is proven, the second stage (or balancing stage) starts. Parents can give their personal reasons in private why an exception should be made and their child should be offered a place. After all parents have presented their personal cases, the IAP makes a further decision, again in private, whether any appeals should be upheld (whether the child(ren) should be given place(s) at the school).

Normally parents will be notified about the outcome of the appeal by the end of the day when the appeal is heard.
